

## UMAST

Urban Management Assistants of South Texas

Will host a luncheon at the VIA Metro  
Center Community Room

1021 San Pedro (near SAC)

Tuesday, April 27, 2010

12-1pm

VIA Metropolitan Transit is bringing a number of innovations to San Antonio to improve our regional transportation infrastructure and to help stimulate development within the city. Mr. Keith Parker, VIA's President/CEO, will discuss the agency's plans for the future and how this new vision will shape San Antonio's future. Attendees will have an opportunity to meet Mr. Parker and engage in a brief question and answer session following his remarks.
